

FSM UZEM (Distance Learning Center)

The Distance Learning Center has been established to carry out the planning, programming, coordination and implementation of e-learning based associate, undergraduate, graduate, postgraduate, lifelong and all other courses of the university that will be taught remotely.

Courses are followed over the Internet and the students can access video lessons and notes at anytime and anywhere by connecting to the online system. Examination for the courses are conducted in the campus using the test method coordinated by the Distance Learning Center.

Location : Haliç Campus

Website : uzem.fsm.edu.tr

Director : Lect. İlhami DANIŞ (Vice)
